Professionals Dedicated to the Safety of Systems, Products & Services

31 July 2017

To: Donne DiFiglia, WDC IPP/ Webmaster

I am pleased to inform you of the decision of the Executive Council of the Washington DC (WDC) Chapter of the International System Safety Society to appoint you to the position of Scholarship & Education Officer. Your tenure in this position starts on 26 July 2017 and ends 30 June 2019.

As the Scholarship & Education Officer you are responsible for managing all WDC scholarships and their distribution to awardees. Additionally, the Scholarship & Education Officer is expected to pursue educational opportunities to further the discipline and practice of system safety.

The WDC Chapter recognizes you as a System Safety professional who is known nationally and internationally as a Subject Matter Expert in military systems and software safety processes with a distinguished career spanning over thirty-four years and feels that your skills and experience are beneficial to your new position. Your continued dedication as an instructor of Systems and Software Safety and Agile Methodologies and your experience as a former Aegis Trainer give the EC confidence that you will continue to further the disciplines and practices of both education and system safety.

The Executive Council appreciates your dedication to the society as the Immediate Past President, as former Vice-President and Executive Secretary and as the Webmaster for the Washington DC Chapter since 2007.

We thank you for volunteering your time and effort to support the Society and are certain that you will enjoy continued success as our Scholarship & Education Officer. Please accept our congratulations and best wishes.

Sincerely,

E. Paul Denk/ President
